Refuge Coffee pairs a great atmosphere with the blending of several brewing styles to create the perfect stress-escape.

Lents Farmer's Market is open 9am-2pm every Sunday through Summer and Fall. It is the only farmer's market in Portland with an international focus.

Little Free Library is a worldwide non-profit organization dedicated to expanding book access. All can take what interests them and leave what they can at a free library.

Malden Court Community Orchard is a restorative and open-to-all neighborhood resource. The goal is to grow food, build community, share the harvest, and restore ecology.

PDX Free Fridge is a community based mutual aid effort increasing access to food and supplies in PDX. All can take what they need and leave what they can at a free fridge.

The Pollinator Habitat Program works with community members to provide safe pollinator habitats. Cultivating healthy urban habitats is crucial to protecting our environment.

Our Tool Library is open 6-8pm Wednesday and 10am-1pm Saturday. Neighbors are welcome to borrow tools for projects around their house and tool donations are accepted.

The Lents Green Ring is a loop of streets and greenways in need of further investment. Green Lents continues to enrich the Green Ring and the Lents neighborhood as a whole by investing in community based projects and resources.
